**Special Announcement**

LPA Action Day  
Plenary Loire  
09.30–17.30

Open to all participants

At COP 20 in December 2014 in Lima, the Executive Secretary of the UNFCCC and the Presidency of COP 21 were encouraged to convene a high-level event to enhance the implementation of climate action.

Answering this call and building on the catalysing effect of the United Nations Secretary-General's Climate Summit in September 2014 and the work undertaken by Peru, France, the Executive Office of the United Nations Secretary-General and the UNFCCC, the Action Day highlights the existing momentum for scaled-up engagement by State and non-State actors and shows the necessity for and feasibility and power of multi-stakeholder climate action. It will gather more than fifty high-level speakers and showcase their most emblematic commitments.

French President Mr. François Hollande and United Nations Secretary-General BAN Ki-moon will close this important day.

09.30 Action Day: Opening

10.00 Action Day: PROTECT/Protecting the planet

13.00 Action Day: ENGAGE/Inhabiting tomorrow's landscape

For observer organizations 280 seats are reserved in the back, to be filled on a first-come first-served basis. The door opens at 9.00.

All participants are invited to follow the LPA Action Day panels in room Le Maroni if Plenary Loire is full. Click [here](#) for further information on the LPA Action Day.
