Framework Convention on
Climate Change

United Nations Climate Change Conference 2016
COP 22 CMP 12 CMA 1
Marrakech, 7–18 November 2016

Daily Programme

High Level Segment

The high-level segment, to be attended by Heads of State and Heads of Government, ministers and other heads of delegations, will continue on the morning of Thursday, 17 November 2016.

Statements will be heard in joint meetings of the COP, CMP and CMA. National Statements will continue in the morning and conclude with statements by inter-governmental and non-governmental organizations in the afternoon of Thursday, 17 November 2016.

All speakers are reminded that they should be present in the plenary at least fifteen minutes before (or three speakers ahead of) their statement.

Representatives are reminded that statements made during the high-level should not exceed the three-minute limit, as decided by the Conference of the Parties at its first plenary meeting. Given the number of Parties and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. In fairness to all speakers, time limits will be strictly enforced. It is suggested that statements be as brief and concise as possible. A bell system will be used during the delivery of statements. The bell will sound at three minutes and will continue to sound every minute until the end of the statement.

Parties are encouraged to reduce oral statements to the 3 minute limit on the understanding that the full version of their statements will be posted on the UNFCCC website.

The proceedings of 16 November can be followed on [webcast](#) and on the TV screens throughout the Conference Center.

For further information on the high-level segment, including the list of speakers, please click [here](#).

ANNOUNCEMENTS

Welcome pack for COP 22

All conference participants are invited to retrieve their welcome pack at the UN Information Desk Counter in Area I.

The welcome pack will be distributed daily on a first-come first served basis. With the reusable water bottle offered, participants can freely drink from all water fountains on the conference venue.

COP 22 electric vehicle shuttle services

There are two kinds of electrical vehicle available for transfers between the conference site and the 12 hotel zones:

- *Renault COP shuttle service:* Participants can request this service at the shuttle service “Help desk” in each designated hotel or at the Conference venue shuttle service hub.
- *Toyota UberGreen shuttle service:* Participants can download the Uber app available in [Google](#) and [iTunes](#) stores. Use the code “COP22” to request these electric cars for free hotel transfers. Further information is available at the entry/exit of the Blue Zone.

Please note that the vehicles can transport up to two people, and are available on a first-come first served basis.

USEFUL INFORMATION

Information on the elections during the Marrakech Climate Change Conference

Please consult the [UNFCCC elections website](#).

Side events and exhibits

The [schedule of side events](#) and a [list of the exhibits](#) is available in electronic form only. Please consult the CCTV monitors for changes or updates. Side events and exhibits are located in Area E.

The side events are organized under the common theme “Accelerating implementation of the Paris Agreement” and are clustered in three categories: Enhancing ambition, Promoting implementation, and Providing support to developing countries.

The side events are broadcast live on [YouTube](#) through Google Hangouts On Air. Online audiences can listen in, watch the presentations and pose questions to the panel.

Interviews at the Climate Change Studio

Please consult the schedule of interviews at the Climate Change Studio on the CCTV monitors. To request an interview please write to climatechangestudio@unfccc.int.

Other events and activities

Information on today’s other events (*non-official side events inside (i.e. national pavillons) and outside the conference premises*) and activities (*media actions/publicity activities during the day*) is available [here](#).

Climate Change Resources Corner (CCRC)

Parties and admitted observer organizations without an exhibit are welcome to display their visual electronic Materials (videos, slideshows, etc.) on the CCRC screens, located in the side events and exhibits hall. To make use of this option, please send a request to see@unfccc.int.

“Touch-to-collect” technology (Poken)

In line with the sustainability efforts for COP 22/CMP 12/CMA 1, innovative “touch-to-collect” technology (Poken) is deployed by the host country. Poken is a platform for collecting digital information and networking in a user-friendly way.

Participants can receive a personal Poken device, at no charge, at the Poken distribution counters located inside the side events and exhibits hall (Area E) and in the Moroccan Pavilion (Area D). Poken, once registered with personal login information, allows collecting digital information from the official exhibits, the side events and the Moroccan Pavilion, as well as recent secretariat’s publications and daily reports by observer organizations.

The registration of personal login information also allows an exchange of digital business cards among participants holding a personal Poken device. Once collected information is loaded on participants’ computer and the conference is over, Poken devices are no longer needed. Participants are invited to contribute to sustainability by recycling their Poken device on the last day.

List of participants

The provisional list of registered participants (FCCC/CP/2016/MISC.2) is available [here](#).

List of speakers for the High-level segment
