Technology framework under Article 10, paragraph 4, of the Paris Agreement

Technology framework under Article 10, paragraph 4, of the Paris Agreement

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) continued its deliberations on the elaboration of the technology framework established under Article 10, paragraph 4, of the Paris Agreement (hereinafter referred to as the technology framework).¹
2. The SBSTA welcomed the information provided by the Technology Executive Committee (TEC) and the Climate Technology Centre and Network (CTCN) on activities relevant to the elaboration of the technology framework.²
3. The SBSTA noted with appreciation that the TEC and the CTCN have already initiated activities relevant to and in support of the implementation of the Paris Agreement, including in connection with the key themes and their relation to the technology cycle.
4. The SBSTA also noted with appreciation the role of the TEC and the CTCN, and invited the TEC and the CTCN to undertake additional activities to implement the Paris Agreement with overarching guidance provided by the technology framework.
5. The SBSTA welcomed the progress and the constructive discussions among Parties regarding the possible elements of the technology framework, while noting that deliberations on its roll-out are still ongoing.
6. The SBSTA requested its Chair to prepare an initial draft of the technology framework by 15 March 2018, taking into account the ongoing deliberations and progress made at SBSTA 45, 46 and this session, for consideration at SBSTA 48 (April–May 2018).

¹ As requested in decision 1/CP.21, paragraph 67.
