

The role of L&D contact points and other relevant stakeholders

Technical workshop on the Santiago Network, Copenhagen, 4-6 May 2022

AILAC

Asociación Independiente
de Latinoamérica y el Caribe

Role of L&D contact points

COP invited Parties to establish L&D contact points

Decision 4/CP.22

Decision 5/CP.23

L&D contact point

- Serves as liaison with the SN
- Formulates requests to the SN
- Participates in capacity building activities
- Advantages over **national focal point**

Role of other relevant stakeholders at the subnational, national and regional level

- Mapping of relevant stakeholders
- Coordination and cooperation
- Capacity building
- Taking advantage of installed capacity
- Invitation to become members of the Network (prioritize technical assistance of Network members based in developing countries and regions)
- In-country expertise
- Liaison of Network members with other relevant subnational and national stakeholders and OBNEs
