

Technical workshop on the institutional arrangements of the Santiago Network of the Warsaw International Mechanism for Loss and Damage

The Executive Committee

Copenhagen, Denmark, 4 May 2022

WARSAW INTERNATIONAL MECHANISM — Functions

Averting, minimizing and addressing loss and damage associated with impacts of climate change in developing countries by undertaking the following functions:

Enhancing knowledge and understanding of comprehensive risk management approaches

Strengthening dialogue, coordination, coherence and synergies among relevant stakeholders

Enhancing action and support, including, finance, technology and capacity-building

Executive Committee guides the implementation of the functions of the Warsaw International Mechanism for Loss and Damage
