

Hybrid Workshops relating to Article 6.2 and 6.4 of the Paris Agreement

Session 9: Authorization (A 6.4 – Timing and revocation)

Baku, Azerbaijan, 2 to 4 October 2024

Authorization – Article 6.4

❑ **Decision 3/CMA.3**, annex, chapter V: A6.4 activity cycle, C:
Approval and authorization:

- **Para 41:** HP shall provide to the SBM authorization of public or private entities as APs;
- **Para 42:** HP shall provide to the SBM **a statement** specifying whether it authorizes A6.4ERs issued for the activity for use towards achievement of NDCs **and/or** for OIMP (HP to specify “first transfer”)
- **Para 45:** other PP shall provide to the SBM authorization for public or private entities as APs prior to any first transfer of any A6.4ERs to the mech registry account of such Party/entities
- **Para 55:** the MR shall **distinguish A6.4ERs** that are authorized for use towards the achievement of NDCs and/or for use for other international mitigation purposes including any specified uses for which the A6.4ERs are authorized.

Authorization – Article 6.4 (cont)

- ❑ **Decision 7/CMA.4**, annex, chapter IV: Operation of the mechanism registry, C: Approval and authorization:
 - **Para 37:** the **MR administrator**, upon being instructed by the SBM, shall issue all authorized A6.4ERs and mitigation contribution A6.4ERs into the pending account;
 - **Para 38:** the **MR administrator** shall, **at the time of issuance of A6.4ERs**, assign their authorization status in accordance with the statement by the HP;
 - **Para 39:** the MR administrator shall forward 5% of **issued authorized A6.4ERs/MC A6.4ERs** in the pending account immediately to the SOP for adaptation account held by AF
 - **Para 40:** the MR administrator shall cancel a minimum of 2% of **issued authorized A6.4ERs /MC A6.4ERs** in the pending account immediately up to the mandatory cancellation for OMGE account

Note: if the issued A6.4ERs are authorized the forwarding and the cancellation shall be distinguished as “first transfer” subject to CA
