## **Órgano Subsidiario de Ejecución**

### **42º período de sesiones**

Bonn, 1 a 11 de junio de 2015

Tema 9 b) del programa

### **Fomento de la capacidad:**

### **Fomento de la capacidad con arreglo al Protocolo de Kyoto**

## **Fomento de la capacidad con arreglo al Protocolo de Kyoto**

### **Proyecto de conclusiones propuesto por la Presidencia**

1. El Órgano Subsidiario de Ejecución (OSE) convino en seguir examinando el mandato del tercer examen amplio de la aplicación del marco para el fomento de la capacidad en los países en desarrollo<sup>1</sup> en su 43<sup>er</sup> período de sesiones (noviembre-diciembre de 2015) sobre la base del proyecto de texto que figura en el anexo.
2. El OSE prosiguió, pero no concluyó, su examen de la cuestión del fomento de la capacidad en los países en desarrollo con arreglo al Protocolo de Kyoto, y convino en seguir examinando este asunto en su 43<sup>er</sup> período de sesiones, con miras a recomendar un proyecto de decisión para su examen y aprobación por la Conferencia de las Partes en calidad de reunión de las Partes en el Protocolo de Kyoto en su 11º período de sesiones (noviembre-diciembre de 2015).
3. El OSE pidió a la secretaría que organizara un taller inmediatamente antes o después de un período de sesiones del Grupo de Trabajo Especial sobre la Plataforma de Durban para una Acción Reforzada a fin de seguir examinando posibles vías para mejorar las actividades de fomento de la capacidad, según lo expresado por las Partes durante el actual período de sesiones.
4. El OSE pidió a la secretaría que preparara un informe sobre el taller mencionado en el párrafo 3 *supra* para su examen durante el OSE 43.
5. El OSE pidió que las medidas solicitadas a la secretaría en estas conclusiones se llevaran a efecto con sujeción a la disponibilidad de recursos financieros.

## Anexo

*[Inglés únicamente]*

### **[Terms of reference for the third comprehensive review of the implementation of the framework for capacity-building in developing countries**

#### **I. Mandate**

1. The Conference of the Parties (COP) decided to initiate the third comprehensive review of the implementation of the framework for capacity-building in developing countries as contained in the annex to decision 2/CP.7 (hereinafter referred to as the capacity-building framework) at the forty-second session of the Subsidiary Body for Implementation (SBI) with a view to completing the review at COP 22 (November 2016).<sup>1</sup>

2. The Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol (CMP) decided to initiate the third comprehensive review of the implementation of the capacity-building framework at SBI 42 with a view to completing the review at CMP 12 (November 2016).<sup>2</sup>

#### **II. Objectives**

3. The third comprehensive review of the implementation of the capacity-building framework has the following objectives:

(a) [To take stock of progress in, and assess the effectiveness of, the implementation of the capacity-building framework using performance indicators or other appropriate evaluations tools;]

(b) To examine possible gaps between the provisions of decisions of the COP and the CMP and the implementation of capacity-building activities;

(c) To identify lessons learned and best practices with a view to developing options for enhanced implementation of the capacity-building framework, taking into account additional needs and priorities for capacity-building;

(d) To effectively review gaps and challenges in addressing the implementation of priority areas as contained in the capacity-building framework and in meeting the capacity-building needs to enhance action on mitigation, adaptation and technology transfer;

(e) [To effectively review gaps and challenges in addressing access to financial resources and [attracting private sector investment] [private sector actions][investment] to support action on mitigation and adaptation and technology cooperation, in a measurable, reportable and verifiable manner;]

(f) To provide recommendations to the SBI on ways to address the key capacity-building gaps at the individual, institutional and systemic levels as identified by the first<sup>3</sup>

<sup>1</sup> Decision 13/CP.17, paragraph 7.

<sup>2</sup> Decision 15/CMP.7, paragraph 8.

<sup>3</sup> Decision 2/CP.10.

and second<sup>4</sup> comprehensive reviews of the implementation of the capacity-building framework, including:

- (i) The availability of financial resources for the implementation of capacity-building activities in developing countries;
- (ii) [Ways to strengthen the outcomes and effectiveness of financial resources for the delivery of capacity-building activities in developing countries;]
- (iii) Ways to improve the coordination structures and coherence for capacity-building, including the coordination of donor funding support;
- (iv) Ways to improve and harmonize national priorities, strategies and plans for capacity-building;
- (v) Ways to address emerging capacity gaps of developing countries, such as the lack of capacity for the development and implementation of climate change policies and legislation;
- (g) [To undertake an assessment of support provided for the implementation of national capacity-building strategies or plans in developing countries;]
- (h) [To assess the validity and importance of the guiding principles, approaches, scope and priority areas contained in the capacity-building framework in contributing to the implementation of the objectives of the Convention, its Kyoto Protocol and any other protocol, legal instrument or agreed outcome with legal force applicable to all Parties to be adopted by COP 20;]
- (i) To explore potential ways to further enhance the implementation of capacity-building activities at the national level;
- (j) To identify major actors supporting the implementation of the capacity-building framework within and outside the arrangements established under the Convention and its Kyoto Protocol;
- (k) To review the operation of the Durban Forum on capacity-building and identify potential ways of its enhancement.

### III. General principles in the comprehensive review process

4. The third comprehensive review of the implementation of the capacity-building framework should be based on the guiding principles and approaches outlined in decision 2/CP.7, annex, chapter B, and should take into account relevant provisions in related COP<sup>5</sup> and CMP<sup>6</sup> decisions on capacity-building.

### IV. Information sources

5. Information to be used in the third comprehensive review of the implementation of the capacity-building framework should be drawn from, inter alia:

- (a) Submissions from Parties;
