## **SPECIAL ANNOUNCEMENTS**

### **COP 7 web site**

Participants are invited to view the COP 7 web site, a collaborative project with the host country, Morocco. Especially interesting are the pages under **CHANGEMENTS CLIMATIQUES AU MAROC ET MAGHREB**, which provide information and links on climate change issues and projects in the region.

### **Video news release**

A 20-minute video news release, produced by the Television Trust for the Environment, will be shown regularly throughout the conference on the closed circuit TV monitors. The video was prepared in cooperation with the secretariat, the host country and the United Nations Department of Public Information. The video news release features Minister Elyazghi, Minister Pronk, His Excellency Mr. Asadi, EU Environment Commissioner Wallström, the Secretary-General and the Executive Secretary. A feature background story, using on-location shots from Morocco, draws the attention of the media to the impacts of climate change on developing countries.

## **OTHER ANNOUNCEMENTS**

### **Climate Change Kiosk**

Participants are encouraged to visit the Climate Change Kiosk, located in the main foyer, for:

Climate change information sources

Background information on the climate change process and the secretariat

Who's doing what in the process

Who's doing what in the secretariat

How to contact members of the secretariat

How to obtain access to, or copies of, secretariat information products or services

A special feature of the Climate Change Kiosk is the small area where participants may showcase a video, document or CD-ROM. The Climate Change Kiosk is equipped with a documents stand (for displaying one copy only of each participant's document), a video player, a television and a PC. Staff at the Climate Change Kiosk will gladly run each participant's video or include a document on the document display.

### **Facilities for non-governmental organizations**

Offices and meeting rooms for the environmental groups, business and industry organizations and the local non-governmental organizations are located in the basement of hotel Atlas.

### **Meetings of non-governmental organizations**

Environmental groups will meet each day between 2 and 3 p.m. in the ENGO meeting room in the basement of hotel Atlas.

### **Information for participants**

A booklet detailing the various facilities and services available to participants may be obtained from the information desk.

### **Credentials**

The credentials of representatives, alternate representatives and advisers are issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in Espace Agdal (Carrie Assheuer).

### **Security**

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they are requested to co-operate with the security team if they are requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they wear their conference badges in full view at all times.

### Pigeonholes for delegates

Pigeonholes for the distribution of official documents and messages are located in the documents distribution area, which delegates are kindly requested to check at regular intervals. Messages may also be placed on the message boards in the corridor adjacent to the main foyer of the conference facilities. Participants are kindly requested to refrain from distributing non-official material via the pigeonholes. All such material should be placed on the tables specially designated for this purpose.
