Subsidiary Body for Implementation

Forty-eighth session

Bonn, 30 April to 10 May 2018

Agenda item 14(b)

Development and transfer of technologies

Review of the effective implementation of the Climate

Technology Centre and Network

Review of the effective implementation of the Climate Technology Centre and Network

Draft conclusions proposed by the Chair

Addendum

Recommendation of the Subsidiary Body for Implementation

The Subsidiary Body for Implementation, at its forty-eighth session, recommended the following draft decision for consideration and adoption by the Conference of the Parties at its twenty-fourth session:

Draft decision -/CP.24

Review of the Climate Technology Centre and Network

The Conference of the Parties,

Recalling decisions 1/CP.16, 2/CP.17, 1/CP.18, 14/CP.18, 14/CP.23 and 15/CP.23,

1. *Notes* the management response¹ of the United Nations Environment Programme on the relevant findings and recommendations of the independent review of the effective implementation of the Climate Technology Centre and Network,² in response to decision 14/CP.23, paragraph 7;
2. *Notes with appreciation* that the Climate Technology Centre and Network has undertaken initial efforts in response to the relevant recommendations referred to in paragraph 1 above;

¹ FCCC/SBI/2018/INF.5.

² FCCC/CP/2017/3.

3. *Invites* Parties, national designated entities, the United Nations Environment Programme as host of the Climate Technology Centre, in collaboration with the United Nations Industrial Development Organization and the Advisory Board of the Climate Technology Centre and Network, to implement the relevant recommendations referred to in paragraph 1 above when implementing their further activities relevant to the work of the Climate Technology Centre and Network;
 4. *Also invites* the operating entities of the Financial Mechanism to consider implementing the relevant recommendations referred to in paragraph 1 above when implementing their further activities relevant to the work of the Climate Technology Centre and Network;
 5. *Further invites* Parties and the Climate Technology Centre and Network to enhance the provision of support for strengthening the capacity of national designated entities, as appropriate;
 6. *Requests* the Climate Technology Centre and Network to include in the joint annual report of the Technology Executive Committee and the Climate Technology Centre and Network for 2019 and in the subsequent reports to the Conference of the Parties, through the subsidiary bodies, information on its plans and actions undertaken in response to the relevant recommendations referred to in paragraph 1 above, taking into account Parties' deliberations at this session;
 7. *Also requests* the secretariat to organize a dialogue, in conjunction with the fifty-fifth session of the Subsidiary Body for Implementation (November 2021), to consider the findings of the second independent review of the effective implementation of the Climate Technology Centre and Network, pursuant to decision 14/CP.23, paragraph 10.
