

TEC 10 outcomes

- TEC requested the task force on linkages to:
 1. Communicate with the Green Climate Fund on possible areas for collaboration
 2. Engage with the Standing Committee on Finance in providing inputs into the draft guidance for the operating entities of the Financial Mechanism
 3. Provide inputs to the in-session workshop on Long-term Finance
 4. Prepare a TEC Brief on climate technology financing
 5. Prepare draft key messages for COP 21, drawing upon the TEC Brief, for consideration at TEC 11

Work undertaken since TEC 10

- 1. Communication with the GCF: Letter send to GCF highlighting:
 - Possible areas for collaboration with the GCF as agreed at TEC 10
 - Possible participation by the TEC Chair in GCF Board meeting (6-9 July 2015; item: GCF engagement with relevant UNFCCC bodies)
- 2. Engagement with the Standing Committee on Finance: Letter received from SCF highlighting:
 - Tasks to be undertaken by SCF in 2015
 - Invitation to provide inputs on draft guidance to operating entities of the Financial Mechanism
- 3. Provision of inputs to in-session workshop on Long-term Finance
 - Inputs prepared for the in-session workshop on LTF
 - Presentation by the TEC chair in the in-session workshop (4 June)

Work undertaken since TEC 10

- 4. Preparation of TEC Brief on climate technology financing
 - Outline of the TEC Brief (agreed at TEC 10)
 - Climate Technology Financing – How to enhance access?
 - Introduction
 - Good practises and lessons learned from climate technology financing
 - Possible actions by key stakeholders for enhancing access to climate technology financing
 - Possible actions by key stakeholders
 - Possible actions by the Technology Mechanism and other bodies under the Convention
 - Key messages

Work undertaken since TEC 10

- 4. Preparation of TEC Brief
 - Process for TEC brief:
 - Preparation of ToR for consultant to prepare TEC Brief
 - First Draft TEC Brief submitted by consultant on 8 June
 - Share with TF for comments
 - Preparation of Second draft by consultant: 3 July
 - Share with TF for comments
 - Preparation of Final draft by consultant : 31 July
 - Share with all TEC members for comments

Work still to be initiated

- Preparation of draft key messages for COP 21: will be undertaken in the next weeks, for consideration at TEC 11
- Preparation of inputs for draft guidance to operating entities of the Financial Mechanism (after GEF and GCF reports will become available in 2nd half of the year)
