

Gender and Climate Technology Expert Roster

TEC-CTCN Joint Session
22 September 2023

FCCC/CP/2022/10/Add.2

Decision 18/CP.27

Enhancing climate technology development and transfer through the Technology Mechanism

Decision 18/CP.27 commended the continued efforts of the Technology Executive Committee and the Climate Technology Centre and Network in mainstreaming gender considerations in their work and requested TEC and CTCN to finalize the global Gender and Climate Technology Expert Roster;

At the 21st Advisory Board meeting both the TEC and the CTCN took note of the overview of relevant outcomes for the Technology Mechanism of COP27 and CMA 4 and renewed their commitment to strengthening their joint work to enhance the implementation of activities, specifically on the development of the gender roster of experts on gender and climate change, and agreed to launch it at COP28.
