

Agenda item 4.b.ii

Key messages and recommendations on innovative approaches to stimulate the uptake of existing climate technology solutions

TEC/2021/23/8

Technology Executive Committee, 23rd meeting

7–10 September 2021 – virtual meeting

Suil Kang, TEC member
TEC Implementation task force

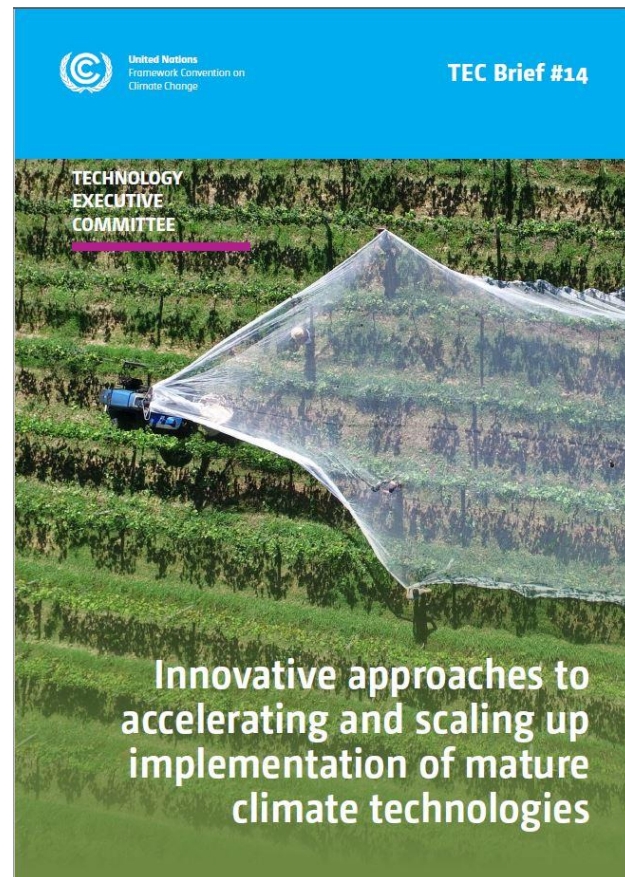

Background

Under activity 4 of the key theme of implementation of its workplan for 2019–2022, the TEC produced:

- a report on innovative approaches to accelerating and scaling up climate technology implementation for mitigation and adaptation; and
- a policy brief on innovative approaches to accelerating and scaling up implementation of mature climate technologies.
- Policy brief was published in July 2021.

Draft key messages and recommendations to COP and CMA:

- Prepared by the Implementation task force on the basis of the policy brief on innovative approaches to accelerating and scaling up implementation of mature climate technologies.
- Build on language used in the policy brief, which were discussed and agreed by TEC members at previous meeting.
- Contained in TEC/2021/23/8.

Thank you!
