

# Draft Work programme of the Technology Mechanism for 2023-2027

9 September 2022 (TEC-CTCN Joint session)

*Ambrosio Yobánolo del Real, TEC Chair*

### Background

- Dec 9/CP.26 para 2 and dec 15/CMA.3 para 2 invited the TEC and the CTCN to strengthen their collaboration with a view to ensuring coherence and synergy and effective implementation of the mandates of the Technology Mechanism, inter alia, by exploring the preparation of a joint programme
- Discussion by TEC and AB on the development of a joint work programme for the Technology Mechanism started at TEC24/AB CTCN 19
- Joint TEC-CTCN taskforce worked inter-sessionally – in virtual and hybrid mode – looked into possibilities of synergies across the workplans of the two bodies that at the same time were being developed

## Joint TEC-CTCN taskforce worked on:

- ✓ A consolidated work programme document that would show how activities, whether conducted separately or jointly by the two bodies, address common themes and are complementary
- ✓ The consolidated work programme document would also include separate sections with the workplan of each body
- ✓ Theme of the joint work programme of Technology Mechanism:

## **Accelerating Climate Action through Technology Development and Transfer**

**Supporting countries to achieve the goals of the Paris Agreement and UNFCCC  
and to implement national climate plans through transformative technologies**

## Outline of joint work programme document

### I. Introduction:

- Technology Mechanism
- Technology Framework and relevant mandates from Parties
- Scientific context
- Activities of the Technology Mechanism

### II. Purpose of Work programme of Technology Mechanism

### III. Overview of the joint work programme of the Technology Executive Committee and the Climate Technology Centre and Network (2023 – 2027)

- *To be jointly considered by the TEC and CTCN AB today*

### IV. Workplan of the Technology Executive Committee (2023 – 2027)

- *Have been considered at TEC 25, will be finalized by TEC Chair/Vice Chair*

### V. Programme of Work of the Climate Technology Centre and Network (2023 – 2027)

- *Will be considered by AB 20*

## Section III: Overview of the joint work programme

(TEC/2022/25/21, AB20.2022.7.1)

- Highlights how activities of the TEC and the CTCN under this joint work programme, whether conducted separately or jointly by the two bodies will address common issues
- Identifies opportunities for joint work and includes joint activities agreed in May to be undertaken in 2023:

National System of Innovation

Technology roadmap

Food-water-energy nexus

Digitalization

Other areas

*Thank you!*
