Note from the President of COP 5

High-level segment

In keeping with the recommendations of SBI 10, the high-level segment of this fifth session of the Conference of the Parties will include the following:

Presentation of policy statements

Ministers and other heads of delegation will have an opportunity to present brief policy statements on Tuesday 2 November, from 15.00 hrs to midnight, in Plenary I (**Saal Maritim**). Speakers are urged to make their statements brief (3 minutes) in accordance with the decision adopted in the plenary on Wednesday 27 October.

Exchange of views

The exchange of views will take place in Plenary I (**Saal Maritim**) on Wednesday 3 November from **10.00 - 13.00** hrs. and from **15.00 - 18.00** hrs. It will continue on Thursday 4 November, from **10.00 - 12.00** hrs.

This exchange of views is a new initiative that seeks to respond to the interest expressed by some ministers in engaging in an informal exchange of views. Two topics have been agreed to focus the discussions:

- (a) **Progress made in dealing with climate change: lessons and challenges;** and
- (b) **The way forward: promoting implementation of the Buenos Aires Plan of Action and early entry into force of the Kyoto Protocol.**

The topics will be taken up one after the other. In the interest of promoting a vigorous and varied exchange of views on the topics, the President would like to suggest that interventions be brief (2 minutes). Such a lively exchange would not lend itself to the delivery of prepared statements. All Parties who have points to register will be able to do so, within the allotted 8 hours of meeting time. All ministers and heads of delegation are encouraged to share their experiences and perspectives. The presiding officer will manage the requests for the floor in a way that will promote interaction, debate and dialogue.

Each delegation will have two seats assigned - one at the microphone and the other immediately behind. Such an arrangement will ensure that all ministers and heads of delegation are seated closer together in the centre of the room, in a setting more conducive to spontaneous and dynamic discussion. There will also be additional seating around the room for other members of delegations.

Representatives from observer States, international organizations and non-governmental organizations will be able to attend and listen to the exchange of views.

Lists of speakers for the high-level segment attended by ministers and other heads of delegations

The list below is the list of speakers that wish to deliver a policy statement under agenda item 10 at the high-level segment (scheduled for 15.00 to completion on Tuesday 2 November).

All speakers are reminded to be present in the plenary at least ten minutes (two speakers) prior to their presentation. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. Should a speaker not be present at his/her delegation's seat at the appropriate time, a slot may be assigned at the end of the day's proceedings (upon request of the delegation).

Delegates are reminded that statements during the high-level segment should not exceed the three to four minute limit to which the Conference agreed at its third meeting. Parties are encouraged to consider consolidating individual statements into one statement made on behalf of a group of Parties, in which case a time limit of five minutes will apply. Given the large number of statements, we kindly suggest that statements be as brief and concise as possible, with full texts available for distribution (see below for the quantities required). If Parties do not wish to speak but would prefer only to have their statements circulated, the secretariat will make arrangements to distribute the copies and enter the statement in the records of the Conference.

Any changes in the name and rank of the speaker previously communicated to the secretariat should be provided as early as possible so that the speakers' list can be corrected accordingly. The contact person is Ms. June Budhooram.

Parties are kindly requested to note that the secretariat is not in a position to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Procedures for statements

All Parties are also kindly requested to provide the conference officers with 20 copies of their statements in advance to meet the needs of the interpreters and the Conference records. Parties wishing to have their statements distributed during the plenary meeting are requested to provide 300 copies. These copies may be delivered to the Conference Officers' table outside of Saal Maritim (Plenary I).

OTHER ANNOUNCEMENTS

Pigeon holes

We are unable to provide pigeon holes for delegates at these conference facilities. Delegates wishing to distribute information should avail themselves of the tables set up for this purpose in the areas near the plenary rooms. Delegates wishing to distribute invitations should contact Lucy Waruingi/Barbara Black in La Marée.

Credentials

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in La Marée (Carrie Bullington).

Registration, security, services, social events

For information on COP 5 registration procedures, security, services, the venue, social events in Bonn, etc. delegates should consult the English language brochure "What's On", available from the UNFCCC Information desk.

Portable headsets

Delegates are requested not to remove portable headsets from meeting rooms. When not in use, the headsets should be turned off in order to conserve the batteries.

Shuttle Train

A small shuttle train is available to transport delegates between venues, which is in operation between 09.00 and 19.00.

Roster of Experts

The roster of experts may be found at the following address on the web site of the secretariat: <http://www.unfccc.de/program/roster/index.html>

Public transportation

Participants will be pleased to note that their COP 5 entry badge allows them to use public transportation within Bonn and Königswinter free-of-charge for the duration of the conference.

Funding for delegates

Delegates from Parties eligible for funding are requested to contact the secretariat upon their arrival at the Administrative office in the foyer. The office will be open daily from 9.30 to 18.30. Participants are kindly requested to present their passports or other official identity document (photo ID), tickets and boarding pass stubs to the travel officer when claiming DSA payment. The travel officer will make a photocopy of the boarding pass stub and the ticket. The passport or photo ID will be used to confirm the identity of the traveller.

Parking

Each delegation is entitled to two parking permits. Heads of delegations are requested to send someone with the necessary authorization to pick up the request form from the Registration desk and collect the parking stickers on the day of the accreditation or thereafter. Cars will be allowed to drive to the barrier to drop passengers. Only cars bearing these stickers will be allowed to park in the reserved parking area outside the conference premises. Parking in the Maritim garage requires stickers, but the parking fee is at participants' own cost.
