Global climate action (GCA),  
Just Transition

## DESCRIPTION

To engage stakeholders in a discussion on just transition, policy initiatives at national and international level, and application of the concept in climate action, SLYCAN Trust together with contributing partners, hosted a virtual summit with the participation of multiple stakeholders.

Objectives of the Virtual Summit on the Just Transition included:

- Enhancing the understanding of just transition and the application of the concept and strategies into climate action at national and international level.
- Integration of just transition and its elements into key processes such as the review of Nationally Determined Contributions and National Adaptation Plans.
- Multi-stakeholder engagement on the thematic area of just transition under the UNFCCC process.
