

Feedback on the “Kiwa Capacity Building Needs Assessment to implement Nature-based Solutions (NbS) for Climate Change Adaptation” Report

Providing Institution(s)

Kiwa Initiative

RESOURCE LINK

Access

Topic(s)

Adaptation, Oceans and coastal zones

DESCRIPTION

From 2022 to 2023, the Kiwa Initiative implemented a capacity development gap and needs assessment among 19 Pacific Island Countries and Territories (PICTs) to better promote rights-based, gender-sensitive and socially inclusive NbS projects for climate adaptation and biodiversity conservation.

This webinar is feedback on the assessment, sharing the main findings, recommendations and opportunities identified for capacity-building and technical assistance in this region.
