

# Ensuring a Climate Resilient Recovery after Covid-19

## Providing Institution(s)

United Nations Framework Convention on Climate Change (UNFCCC). Climate Technology Centre & Network (CTCN)

## RESOURCE LINK

Access

## Topic(s)

Global climate action (GCA)

## DESCRIPTION

Through this paper, the CTCN aims to provide practical guidance that enables countries to become more resilient, align their actions with their climate goals and ultimately become better prepared for future crises, natural disasters, and other potential threats, specifically through incorporating climate resilience into national planning.

## Geographical reach

Global, Global

## Target level of capacity building

Institutional

## Resource Type

Tool

## Resource Language(s)
