

# Young feminists want system change: Global advocacy toolkit for the Beijing+25 process and beyond

## Providing Institution(s)

Women Engage for a Common Future (WECF)

## RESOURCE LINK

Access

## Topic(s)

Youth engagement, Gender and climate change

## DESCRIPTION

The toolkit offers a range of tools, strategies, and resources to support young activists in engaging with the Beijing+25 process.

It provides guidance on effective advocacy techniques, highlights key issues impacting gender equality, and offers insights into mobilising grassroots movements to push for meaningful change on a global scale. This manual aims to support young feminists to participate in international policy-making.
