

Submission of the Environmental Integrity Group for SBI agenda item 15 (b) Programme budget for the biennium 2016-2017

Decides to establish a review procedure to be in place for the following budget process, by which a specialized body reviews and provides an objective opinion on the UNFCCC Secretariat proposed budget as to facilitate the parties' review and approval of such a budget, including suggestions on how to make it as efficient as possible.

For this endeavor, calls on the Secretariat to provide in a three month period an analysis of possible structures and bodies to carry out the assessment.
