

Enhanced action on adaptation (Agenda item 3 (c))

Informal note

In progressing their work, Parties may wish to further explore and elaborate on the following framing elements and questions, add to them, or remove from them, as appropriate:

Framing elements

- Reference to relevant decisions;
- Acknowledgement of the Cancún Adaptation Framework (CAF) that includes: (i) the national adaptation plans (NAP) process for the least developed countries (LDCs); (ii) work programme on loss and damage; and (iv) the Adaptation Committee;
- Acknowledgement of the progress made under the CAF including through the decisions made in Durban (COP 17 outcome);
- Reference to other work on adaptation as needed (e.g. work under the Nairobi work programme);

Support for adaptation

- Any recommendations needed on support for adaptation, including through finance, technology and capacity building, including for 2013-2020?
- Interlinkages between all means of implementation?

National adaptation plans

- Recommendations under the NAPs for developing country Parties that are not LDCs?
- Role of Adaptation Committee?

Strengthening the catalytic role of the Convention

- Any further guidance on the role of institutional bodies and/or programmes as per the Cancún and Durban outcomes in strengthening the Catalytic role of the Convention?
- Role of the Convention in encouraging multilateral bodies, the public and private sectors and civil society in supporting adaptation in a coherent and integrated manner?
- Any additional provisions with respect to regional centres?

Economic diversification to build resilience

- Any provisions to address economic diversification to build resilience?
