

**Nationally appropriate mitigation actions by developing country Parties in the context of sustainable development, supported and enabled by technology, financing and capacity-building, in a measurable, reportable and verifiable manner
(Agenda item 3(b)(ii))**

Note by the facilitator – 3 September 2012

- Reiterate invitation to developing countries, that have not done so, to submit NAMAs
 - Reiterate invitation to developing countries to submit additional information on their NAMAs (assumptions, methodologies, etc.)
 - Continue the process of understanding of the diversity of NAMAs under the SBs
 - Compile information provided by developing country Parties on NAMAs
 - Discuss NAMAs under the ADP in the context of the broader goal
 - Request the SBSTA to develop guidelines for MRV of support
-
- Organize regional technical workshops to build capacity for, and exchange lessons learned in, the preparation and implementation of NAMAs
 - Request or invite the preparation of technical material to support the preparation and implementation of NAMAs (for example, a handbook, guidelines or methodologies)
 - Identify other mechanisms to build capacity in developing countries to prepare and implement NAMAs (in relation to baselines, institutional arrangements, identification prioritization and cost benefit analysis of actions, methodologies for MRV, financial issues, integration of NAMAs, and stakeholder engagement)
