

## **A shared vision for long-term cooperative action (Agenda item 3(a))**

### **Informal note**

*In progressing their work, Parties may wish to further elaborate the elements and options contained in the bullet points below, add to them, or remove from them, as appropriate:*

#### ***Framing elements***

- Reference to relevant decisions
- Other references as needed

*(Textual options previously presented by Parties are available in FCCC/AWGLCA/2011/CRP.39)*

#### ***Further definition of the global goal for emissions reduction by 2050 and global peaking of the GHG emissions and corresponding context***

- Option 1: Specific numbers for these goals, with their corresponding context (qualitative, quantitative or both)
- Option 2: Range of numbers for these goals with their corresponding context (qualitative, quantitative or both)
- Option 3: Possible process or mechanism with which to identify (a range of) numbers for these goals
  - Option 3 + 1: Specific numbers for these goals, with their corresponding context (qualitative, quantitative or both) and possible process or mechanism with which work further on numbers for these goals
  - Option 3 + 2: Range of numbers for these goals with their corresponding context (qualitative, quantitative or both) and possible process or mechanism with which work on a range of numbers for these goals

*(Textual options, including quantitative and qualitative goals and related context, previously presented by Parties are available in FCCC/AWGLCA/2011/CRP.39)*

#### ***Equitable Access to Sustainable Development (EASD)***

- EASD
  - EASD in the context of global goal and global peaking
  - EASD in general
- Equity
  - Context for equity and EASD

- Definition of equity
- Application of equity principle

*(Some ideas are further elaborated in the report on the workshop on EASD<sup>1</sup>, including possible next steps)*

***Other elements***

- Consider other elements or suggestions under shared vision.
-
