

Intervention made by Malawi on behalf of the Least Developed Countries, 4 June 2014, 10 - 1pm

Agenda item 14: Article 6 of the Convention

Mr. Chair, the issues under the Article 6 of the Convention, that is, education, training and public awareness are very important for the developing countries, particularly LDCs. The LDC Group would like to thank the Secretariat for the report on good practices of stakeholder participation in implementing Article 6 of the Convention. The report was very helpful to have a deeper understanding about good practices, challenges and opportunities for stakeholder engagement on the implementation of Article 6 of the Convention.

The LDC Group looks forward to a rich discussion and interaction at the 2nd Dialogue on Article 6.

I thank you Mr Chairman.
