

United Nations Framework Convention on Climate Change

Workshop objectives and structure

Marita Manley

M&E Workshop
9-11 September 2013
Nadi, Fiji

Objectives

- Identify recommendations and guidance on M&E for adaptation for AC consideration

Guiding questions

- How do we measure success? Do we have a common understanding of success? Do we need one?
- Can we link national and sub-national frameworks for M&E? How?
- How can results be shared?

Structure

- Progression through each session
- Group work- table guide and a rapporteur
- Assign someone to report back
- Specific outputs to be completed for each session
- During discussions if suggestions and ideas are raised and/or references made to tools, resources, please add to the papers

Workshop rules

- **Listen**, learn and share
- Ensure everyone gets a chance to participate
- Turn off mobiles
- Keep laptop use to a minimum
- Be punctual
- Informal
- Have FUN 😊
