

7th meeting of the Adaptation Committee

Agenda item 6 (a)

Adaptation Committee Task Force on NAPs (NAP TF)

Report on the informal planning meeting

Bonn, Germany, 24 to 27 February 2015

Co-Chair, Adaptation Committee

I: Background and context

- ❖ NAP TF held a 2-day meeting preceding AC6 between NAP TF members and representatives from UN agencies, relevant multilateral and bilateral organizations and NGOs supporting the NAP process
- ❖ Outcomes of the meeting were reported to AC 6
- ❖ Detailed report of the meeting to the AC is available at unfccc.int/8858 and as document AC/2015/3
- ❖ At the meeting, the NAP TF and the AC have received ideas and recommendations for next steps regarding their work on facilitating enhanced support for the NAP process

I: Background and context *(continued)*

- ❖ NAP TF held an informal planning meeting on Tuesday, 24 February, to prioritize its work and plan concrete next steps for 2015 taking into account its workplan, the outcomes of the NAP TF meeting and recent mandates (e.g. from COP 20);
- ❖ It decided on the following activities for 2015 based on its original workplan:

Activity as in workplan	Plan for 2015
A.1 Regularly engage Parties, organizations, etc.	AC/LEG workshop on NAPs in April will serve to engage Parties, etc.
A.3 Technical paper on emerging topics on long-term adaptation planning	Technical input on emerging topics on long-term adaptation planning will be fed into AC/LEG workshop on NAPs and will cover topics listed in the workplan activity column (depending on available resources this could be in the form of a paper or a keynote speaker at the workshop)
A.5 Information documents for non-LDCs on existing modalities for the NAP process	TF could develop a concept note on existing modalities for the NAP process for non-LDCs for input to the NAP Expo and finalization thereafter building/based on proposals in the annotated workplan
A.6 Identification of relevant areas under Convention for consideration of NAP issues	Breakout group on coherence planned for Wednesday will take suggestions from the coherence paper relating to NAPs and identify the way forward

I: Background and context (*continued*)

Activity as in workplan	Plan for 2015
B.1 Provide NAP-specific input to Mol workshop	NAPs identified as one core area of the workshop – TF will decide on follow-up activities after the workshop; TF will also provide input to the expert meeting to promote livelihoods and economic diversification
B.2 Contribute NAP-related input to overview report	TF will provide inputs to the overview report group on the activities the TF as well as the AC have performed relevant to NAPs
C.2 Collaborate with LEG on M&E	The TF will update the AC to determine next steps on M&E at AC7
C.3 Provide input to NAP Central	The AC will be updated on NAP Central at AC 7 and decide on any further guidance to the TF on how to provide input to NAP Central
D.1 Support to NAP GSP, LEG etc. on NAP training workshops	Lead of the TF will contact NAP GSP for an update of the status and potential for collaboration
D.3 Provide input to GCF	TF will consider next steps according to conversations to be held by the AC with the GCF Co-Chair

II: Next steps

- ❖ The TF needs to further discuss and decide on:
 - Follow-up activities from the NAP TF meeting in September;
 - Modalities of work (timelines, responsibilities).

- ❖ The AC may wish to:
 - Endorse the activities and next steps planned by the TF in 2015;
 - Establish a breakout group to further discuss the activities and next steps of the TF;
 - Provide further guidance to the TF, as required.
