

7th meeting of the Adaptation Committee

## Agenda 9

# Workplan of the Adaptation Committee

**Discussion note on a workplan of the AC after 2015**

Bonn, Germany, 27 February 2015

*Renske Peters, Adaptation Committee member*

## I: Background and context

---

- ❖ COP 16 > AC mandate
- ❖ COP 17 > AC requested to develop its initial 3-year workplan
- ❖ COP 18 > Approval of initial AC workplan
- ❖ COP 20 > Welcomed the initiation of consideration by the AC of its next workplan, starting in 2016.

## II: Summary

---

- ❖ AC/2015/8 is based on and builds upon the initial 3-year workplan of the AC and the relevant outcomes from COP 20, and:
  - Sets the context of the work of the AC;
  - Explores better procedures for the work of the AC;
  - Summarizes results from the first period of work of the AC to be used as a background for this discussion;
  - Shows timelines and next steps.

## II: Summary

---

- ❖ 3 guiding questions for the discussion:
  - 1. What elements of the existing work would be meaningful to be continued?
  - 2. Which emerging and additional issues should be added as new elements to the second work plan?
  - 3. With whom should the AC engage, both in terms of existing and new collaboration, as part of their second work

### III: Next steps

---

The AC may wish to :

- Consider the discussion note and guiding questions
- Agree on the outline and next steps regarding the drafting of the 2nd AC workplan.
