

# **Introduction of agenda item 14**

## **Task force on NAP**

**Presentation by Juan P. Hoffmaister**

**Fifth meeting of the Adaptation Committee**

**5 – 7 March 2014**

**Bonn, Germany**

# I: Background and context

---

- NAPs task force established at AC4, ToRs agreed
- Goal: To further support developing countries seeking to formulate and implement NAPs
- AC requested the task force to develop a draft plan of action, taking into account the activities in the AC's workplan and the modalities and activities identified through the AC's work in 2013

## II: Summary

---

### Draft plan of action

- Takes into account related activities on the work plans of the AC and other constituted bodies under the Convention
- Is structured around 4 areas:
  - Coherence issues related to NAPs and identifying key strategic areas
  - Technical issues related to NAPs
  - Support issues related to NAPs (finance, technology and capacity-building)
  - Information sharing and outreach issues related to NAPs

The TF will seek to enhance the vision and understanding of needs of developing countries and revise its work accordingly.

---

## III: Next steps

---

The AC may wish to:

- Consider the activities, including the related milestones, deliverables, time frames, responsibilities and resource requirements as presented in the document;
- Further refine and prioritize these activities;
- Consider input from TF members who have not been part of the work yet;
- Agree on a draft plan of action to be presented and approved during the first meeting of the NAP task force.
