# Overview of the NAP TF work plan

---

Structured around two modalities:

1. Activities led and undertaken by the NAP TF itself
2. Contribution to activities by other Convention bodies (e.g. LEG)

Covering the following substantive areas related to NAPs:

- Coherence and identification of key strategic areas
- Technical issues
- Support (finance, technology and capacity-building)
- Information sharing and outreach

## Expectations for this meeting: Focus

---

- Anticipated deliverable of this meeting: *identification of strategic efforts to address gaps and needs encountered by developing countries when undertaking the NAP process.*
- Focus of this meeting: support for NAPs - exploring how organizations can best support the process, contributing towards the comprehensive deliverable.

# Expectations for this meeting: Objectives

---

- Explore "the landscape" of organizations' support to the NAP process;
- Identify steps towards strategic efforts in supporting the NAP process by donor organisations, and the role of the UNFCCC in these efforts.

## Expectations for this meeting: Approach

---

- See this meeting as part of a series of other events and activities around the NAP process;
- Focus on **interactive discussions** taking into account the background paper, introductory presentations and framing questions;
- Information exchange
  - ❖ *Note that the NAP Task Force is not mandated to provide recommendations to organizations.*

## Expectations for this meeting: outcomes

---

- Roadmap towards strategic efforts to enhance support for the NAP process and address gaps and needs;
- Next steps to maintain the dialogue between the organizations and UNFCCC bodies.
