
**Third meeting of the Executive Committee of the Warsaw International Mechanism
for Loss and Damage associated with Climate Change Impacts**

Agenda item 4(g)

Action Area 7: Financial instruments and tools

Activity 7(d): Invite Parties and relevant organizations to provide information on best practices, challenges and lessons learned from existing financial instruments at all levels that address the risk of loss and damage associated with the adverse effects of climate change

Process from Excom 2 to date

*During
Excom 2*

- The Excom developed a [call for submissions](#) and requested the secretariat to develop an [information document](#) based on the information submitted in response to the call, and make it available, as needed, to the SCF to serve as input to the organization of the 2016 Forum.

11 Feb

- The call for submissions was made available online with deadline for submissions by 10 March;
- An announcement on the call was made by mail notification to relevant organizations and through the Climate-L mailing list.

*By
21 Feb*

- [18 submissions](#) received: 4 from Parties and 14 from organizations.
(Available online at <www.unfccc.int/9404>)

1 Apr

- The secretariat shared with the Excom a draft information paper for their comments by 4 April.

6 Apr

- An [advanced unedited version of the information paper](#), as cleared by the co-chairs, was shared with limited circulation to the SCF members at SCF12 (6-7 Apr 2016).

20 Apr

- The information paper was made available [online](#).

Co-chairs' proposal on the rest of the activities for Action area 7

The co-chairs propose:

- Brief exchange of initial views in a plenary setting on activities (a), (b) and (e)

For example:

- The co-chairs, with the assistance of the secretariat, to prepare a letter of encouragement to public bilateral and multilateral institutions and funds and private investors and send intersessionally (activities (a) & (b))
- Request the SCF to grant the Excom a speaking role at the 2016 SCF Forum where the Excom encourage relevant orgs in the context of activities (a) & (b)
- Excom to plan for a side event at COP 22 in in the context of these two activities (a) and (b), which would also address activity (e) of this Action Area.
- Other ideas?
