

Suggestions resulting from the discussion of the breakout group on the Task Force for Displacement

21 September 2016, noon

1) **Scope of work** (paragraphs 6-8)

- Link recommendations with the three functions of the Mechanism
- Add mandate and draw upon and involve bodies under and outside the Convention
- Finding hooks and linkages with other processes
- Refine wording of paragraphs 6(a)
- Refine wording of paragraph 7 (target audience); suggestions to add Excom, governments, academia, social partners (standard language, if any)
- Task force to be both recipient and provider of information

2) **Activities, tasks, deliverables, associated timelines** (paragraph 9)

- Add timeline to the draft workplan of the task force
- Deletion of 'as soon as possible'
- Make wording flexible

3) **Timeframe** (paragraph 21)

- As soon as possible, latest by COP24
- Recommendations in progressive manner (by COP 23 and COP24)
- Have some recommendations by COP23 and conclude them by COP24
- Flexibility to extend

4) **Composition** (paragraphs 11- 17): *Discussions to be continued in next BOG*

Way forward: Another breakout group to meet by end of Excom 4 to finalize the draft ToR (*time tbd*)
