

Guidance for the working group on

The establishment of a task force

to develop recommendations for integrated approaches to avert, minimize and address displacement related to the adverse impacts of climate change and

Invitation to organizations and experts to provide
information on migration and displacement (Activity AA6(a))

(4 February 2016)

Facilitator: Erling
Rapporteur: Helen

Tasks

1. To develop **a draft road map** for establishing the task force
2. To develop **a draft plan** for carrying out activity AA6(a)

(The COP)

Also requests the Executive Committee of the Warsaw International Mechanism to establish, according to its procedures and mandate, a task force to complement, draw upon the work of and involve, as appropriate, existing bodies and expert groups under the Convention including the Adaptation Committee and the Least Developed Countries Expert Group, as well as relevant organizations and expert bodies outside the Convention, to develop recommendations for integrated approaches to avert, minimize and address displacement related to the adverse impacts of climate change;

Further requests the Executive Committee of the Warsaw International Mechanism to initiate its work, at its next meeting, to operationalize the provisions referred to in paragraphs 49 and 50 above, and to report on progress thereon in its annual report

Action Area 6

Enhance the understanding of and expertise on how the impacts of climate change are affecting patterns of migration, displacement and human mobility; and the application of such understanding and expertise

Activity (a)

Invite relevant organizations and experts to provide scientific information on projected migration and displacement based on projected climate and non-climate related impacts in vulnerable populations

Possible issues to consider with relation to a draft road map:

- Practical steps to establish the task force
 - Opportunity for outreach
 - Operationalization of the task force: time frame, etc.
- Practical steps to undertake activity AA6(a)
