WHAT ARE YOU DOING TO ADDRESS THE RISKS OF SLOW ONSET EVENTS?

6 – 8 NOVEMBER 2017 • 9:00 – 18:30
BONN ZONE

Would you like to share your experiences and connect with international discussions about solutions for slow onset climate risks? The Excom is interested in hearing about your thoughts and experiences, as part of an international photo campaign and side event at COP23 to raise awareness of gaps and challenges in risk financing for slow onset events.

Stop by our booth where we will take a photo of you and your answer to the question above — and bring your colleagues, too! Your photo and answer may appear during the Excom side event.

The photo booth will be open 6 – 8 November 2017, from 9:00 – 18:30 in the Bonn Zone at COP23.

Remember to share your photo via Instagram, Twitter, or Facebook using **#ActOnSOEs**, **#COP23**, and **@UNFCCC**.

SIDE EVENT

BREAKING NEW GROUND: RISK FINANCING FOR SLOW ONSET EVENTS

THURSDAY 9 NOVEMBER 2017 • 13:15 – 14:45
MEETING ROOM 10, BONN ZONE

The Executive Committee of the Warsaw International Mechanism for Loss and Damage will host a side event on innovative financial tools and instruments for addressing the risks of loss and damage resulting from slow onset events.

The dynamic and interactive event will convene a panel of speakers to discuss some of the key gaps and challenges and how we can better address slow onset events moving forward. The audience will be an integral part of this event, contributing to the discussion and asking questions through sli.do.

HAVE A QUESTION?

During the event, you can ask our speakers questions by following these simple steps:

1. Grab your smart phone, tablet or laptop and connect to the Wi-Fi (**PlugNPlay**)
2. Open the web browser and go to **sli.do**
3. Enter the event code **#SOEs**
