

# National adaptation plans

Vientiane, Lao PDR, 15 September 2011

***Paul Desanker, Officer in Charge***

UNFCCC secretariat, National Adaptation Plans Sub-programme

# Objectives of the expert meeting

- **To identify and discuss elements and deliverables of the process to enable the LDCs to formulate and implement NAPs, building upon their experience in preparing and implementing NAPAs**
- **To elaborate draft modalities and guidelines for the LDCs, which other developing country Parties can employ to support their NAPs**

## Mandates for the expert meeting from SBI 34 conclusions:

### Concrete inputs to the expert meeting:

- The conclusions from SBI 34;
- Input from the LEG and other relevant sources;
- Views from Parties and relevant organizations on
  - (a) The process to enable the LDCs to formulate and implement NAPs, building upon their experience in preparing and implementing NAPAs;
  - (b) The modalities and guidelines for the LDCs and other developing country Parties to employ the modalities formulated to support NAPs.

### Concrete outputs of the expert meeting:

- A report on this expert meeting, to be made available by SBI 35 in Durban;

## Mandates for the expert meeting from SBI 34 conclusions:

### The expert meeting is to include:

- Experts from Parties and relevant organizations;
- The LEG;
- Relevant stakeholders.

## Input from the LEG

### The SBI 34 conclusions note the value of the NAPAs and the LEG:

- The process to enable the LDCs to formulate and implement NAPs should build upon their experience in preparing and implementing NAPAs;
- The SBI noted that the process to enable the LDCs to formulate and implement NAPs should benefit from engagement with the LEG, including through consideration of the output of its work on medium- and long-term adaptation in the LDCs.
- The LEG technical paper on medium- and long-term adaptation is to feed into this expert meeting.
- The technical paper is also to be presented to the SBI at SBI 35.

## From here to Durban:

### Expert meeting report:

- To be published online,
- To be considered at SBI 35.

### Submissions of views:

- To be compiled into a miscellaneous document and published online,
- To be considered at SBI 35.

### A synthesis report of the views:

- To be published online,
- To be considered at SBI 35;

### The LEG technical paper on medium- and long-term adaptation:

- To be published online,
- To be presented to SBI 35.
