## **Input from South Africa**

## Preliminary material in preparation for the first iteration of the informal note on this agenda item

APA agenda item 6: Matters relating to the global stocktake referred to in Article 14 of the Paris Agreement:

a) Identification of the sources of input for the global stocktakeb) Development of the modalities of the global stocktake

## Revised building blocks for APA item 6 (GST)

(version of 12 November 2017, 12:15 hrs)

The building blocks contained in the table below were derived from submissions and discussions to date under this agenda item. Note that these building blocks can be combined in various ways to construct elements of the text. The final outcome may also be silent on some of the building blocks as they may not be needed. Note also that they are intended to advance the negotiations and will not be part of the final text.

Possible building blocks	Details
I. Modalities	
Overarching elements	
[Guiding]	Recall Article 14 and other relevant Articles of PA and paragraphs of decision 1/CP.21 The GST will be guided by three general questions: where are we; where we want to go; and how to get there? Relevant principles and characteristics and in the light of equity and best available science  Recall Article 14 and other relevant Articles of PA and paragraphs of decision 1/CP.21 The GST will be guided by three general questions: where are we; where we want to go; and how to get there? Relevant principles and characteristics and in the light of equity and best available science
[Equity]	The GST will give full consideration to equity in terms of process and themes, in a cross-cutting manner and will be informed by best available science
[Overall process]	
if [Governance]	The GST will be conducted by the CMA with the assistance of:  the SBI and SBSTA, which will establish a joint contact group on this matter  Technical/crosscutting workstreams (mitigation, adaptation, finance flows and means of implementation and support,) will be established under the guidance of the SBs  a subsidiary body similar to the SED, which will be established by CMA  The GST will be supported by expert inputs from relevant constituted bodies  The GST will be conducted in an effective and efficient manner, avoiding duplication of work, taking into account the results of relevant work conducted under the Convention, PA and KP

**Commented [HW1]:** Support the textual insertions by Africa Group, both on building blocks and equity. Expect the fuller details to be included in future iterations of template and / or informal note.

[Timing and duration]	The GST is a process lasting:
	Views:

Possible building blocks	Details
	<ul> <li>for more than half a year and less than one year/ at least one year/ 12 to 18 months</li> <li>adequate time to conduct the GST in a comprehensive manner with fixed milestones along the way to ensure completion of each GST</li> <li>short, in order to avoid undue burden on Parties, and concise in order to ensure durability and resilience of the process</li> <li>not more than six months in total and should be kept to a minimum</li> </ul>
Structure (phases/activities)]	The GST process will consist of:  Activity A - a preparatory phase   information gathering and compilation   technical input  Activity B - a technical phase   technical consideration of inputs, take stock, assess collective progress and prepare outputs   Technical consideration  Activity C - a political phase   consideration of outputs   closure of the GST – Outcome partially
[Management of inputs]	overlapping/running in parallel/sequential  ""  Prepare and consider the information sources identified for the GST, with a view to ensuring a balanced consideration of the information taking into account the comprehensive scope of the GST and in the light of equity and best available science
[Support for effective and equitable participation]	The GST will be conducted in a transparent manner and with full participation of Parties and non-Parties stake holders, provision of adequate funding for the participation and representation of eligible developing countries in in all activities under the GST, meetings, technical dialogues, workshops, round tables and sessions of the Subsidiary Bodies and CMA that are part of the GST process  Developed country Parties to mobilise capacity-building support for effective participation by LDCs, SIDS and other developing countries
<sup>35</sup> [Adjustment of modalities]	The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation, in particular in the exchange of views, should be determined by the Parties concerned  The level of participation in the exchange of views, should be determined by the Parties concerned  The level of participation in the exchange of views, should be determined by the Parties concerned  The level of participation in the exchange of views, should be determined by the Parties concerned by the Parti
[Post GST / during the ambition cycle events]	77 35 Placeholder on possible events outside the CMA or UNFCCC during the course of the ambition cycle

Possible building blocks	Details
Activity A <sup>1</sup> - Preparatory phase   Information gathering and compilation   Technical input	
[Timing and duration]	35 Activity A should start  Views:
	<ul> <li>in 2021 or 2022 to ensure the adequate and timely consideration of the input from AR6</li> <li>before or after the SB sessions of the year in which the GST will be conducted, bearing in mind that Parties and relevant stakeholders may start to prepare for the GST several years earlier</li> <li></li> <li>For the first GST, activity A should run continuously from 2021 (or previous year to be agreed if pre-2020</li> </ul>
	inputs could be considered) and should end no later than [six][X] months before the CMA in 2023, unless critical information that requires consideration emerges after the cut-off date    35
[Preparing inputs]	
[Call for inputs]	Take stock of enhanced implementation of adaptation actions taking into account adaptation (Art 7.14 b)
	Invite Parties, constituted bodies under the Convention and the Paris Agreement, UN Agencies, IPCC and other scientific bodies, civil society organizations and other identified sources of input to provide input. Including inputs from the Adaptation Committee and LDC Expert Group, working with the Standing Committee on Finance (para 41 of decision 1/CP.21)  The deadline for submission of information could be one month before the plenary of the relevant session of
[Compilation and synthesis]	The deadline for submission of information could be one month before the plenary of the relevant session of Request:
	Views:
	<ul> <li>the SBSTA and SBI/secretariat to compile information for Activity B the year in advance</li> <li>the secretariat to collate information into an agreed format and make it available on a GST web platform</li> <li>the secretariat to upload all submissions and other sources of input via UNFCCC website using a dedicated GST portal 1 to 2 months prior the CMA session</li> </ul>
ar.	O
Identification of gaps and call for additional inputs	Invite the subsidiary bodies to identify potential information gaps and, where necessary and feasible, make requests for additional input, bearing in mind the cut-off date for <i>Activity A</i> and the need to consider critical information.
	Ensure a sufficient information base for all elements agreed under Articles 7.14 (adaptation), 9.6 (finance),
[Guidance for preparing inputs]	Invite SBSTA to develop guidance for preparing inputs for GST Invite Co-facilitators and secretariat prepare guidance on how the information will fit into the technical considerations
	Constituted/responsible bodies will define the format [and content] of the input

<sup>&</sup>lt;sup>1</sup> Can be combined with *Activity B*.

Possible building blocks	<b>Details</b>
	35 17
[Outputs]	The secretariat to collate into an agreed format and make it available on a GST web platform
35 17 []	How the information gathered is passed to Activity B
	consideration of inputs, take stock, assess collective progress and prepare outputs   Technical Consideration
[Aim]	Build a strong foundation for <i>Activity C</i> by considering all inputs in a facilitative, transparent and comprehensive manner
[Timing and duration]	Could commence at the SB sessions in the year prior to the stocktake year and conclude prior to the <i>Activity C</i> At the SB session in the year in which the GST will be conducted  In conjunction with the CMA of the year in which GST will be conducted  Will start the year(s) prior to the stocktake year (organizing events in 2022)  12-6 months before any "due"; needs to be over prior to the CMA in 2023
[Structure]	Activity B will comprise a series of:  technical dialogues under the technical workstreams  technical/thematic workshops/roundtables under the joint contact group (e.g., thematic roundtables on climate action; climate support; and impact of climate action including the impact of response measures)
[Practical arrangements]	SBI and SBSTA chairs will appoint two co-facilitators [per workstream] to organize the technical dialogue (e.g., facilitate (only if new info will be produced on the basis of inputs), moderate, and contribute to their work)  SBI and SBSTA will designate the SBs Chairs and Co-Chairs to moderate thematic roundtables SBI and SBSTA chairs will facilitate within each technical dialogue discussions among Parties, including the participation from observers  The joint contact group will organize the work of <i>Activity B</i> (e.g., deadline for submission of the inputs; additional inputs and themes; schedules for the events; keynote speakers, further preparatory work)
[Guidance]	Substantive ToR/guidance for each workstream/theme (e.g., specific questions to be addressed) — in relation to adaptation, review the adequacy and effectiveness of adaptation and support provided for adaptation; and review overall progress towards the global goal on adaptation.
[Consideration of inputs]	All the inputs and topics should be discussed in a, balanced, holistic and comprehensive manner, in particular the linkage among various issues, with a balanced allocation of time between workstreams/themes  The Co-facilitators will summarize each technical dialogue  Workshop reports will be prepared for consideration by the joint contact group

Formatted Table

<sup>2</sup> Can be combined with *Activity A*.

Possible building blocks	Details
	Synthesis reports will be prepared for each element of the scope (themes)
	Should be neutral without recommendations / should provide clarification in terms of technical advice
	35 17
[Participation]	The Events will be open, inclusive, transparent and facilitative and will allow Parties to engage and discuss with
	various experts and relevant non-state stakeholders outside the UNFCCC and to consider inputs and assess the
	collective efforts
[Placeholder for relevant ongoing	Operationalization of the advice from SBSTA on how the assessments of IPCC could inform the GST
work]	Technical consideration of recognition of of the adaptation efforts of developing countries, in accordance with
r 1	mModalities developed by AC and LEG, pursuant to para 41 of 1/CP.21;
[]	tion of outputs   Closure of the GST - Outcome
Activity C - Political phase   Considera   [Timing and duration]	· ·
[Timing and dardion]	Will be held at the CMA session in the year when the GST will end During the closing Plenary of CMA
	During the closing Plenary of CMA  The GST should be ramped-up and closed before the closing plenary of the CMA
	The dot should be ramped-up and closed before the closing pierrary of the civia
[Practical arrangements]	Define the roles of the Presidencies / latest four out-going Presidencies of the four sessions of COP/CMA
	The GST will be closed by CMA Presidency during the high-level segment
	35 17
[Structure]	A dedicated political ministerial segment at its session in 2023 and every five years thereafter
	A high-level dialogue or a high-level roundtable(s), where Ministers discuss the implications of the findings
	from the Activity B
	35 ···
[Presentation and consideration of	The output of the Activity B will be presented and discussed at the Events including adaptation, mitigation and
inputs]	means of implementation and support.
[Output]	The Presidencies will provide a summary of key messages from <i>Activity C</i> , including key political messages and
	general policy recommendations from Events  Adopt a decision / formal declaration or closing remarks by the Presidency and co-moderators and closing
	Adopt a decision / formal declaration or closing remarks by the Presidency and co-moderators and closing interventions by the participants in the last plenary of the joint contact group / decided by the Presidency
II. Courses of innut	interventions by the participants in the last pienary of the joint contact group / decided by the Presidency
II. Sources of input [Existing sources of inputs]	% 5 C 4/004
[LAISTING SOULCES OF INPUTS]	Reconfirm 1/CP21, para 99 Recall relevant provisions of PA on enhanced transparency framework, adaptation communication,
	Recall relevant provisions of PA on enhanced transparency framework, adaptation communication,

Possible building blocks	Details
[non- exhaustive list]	Submissions from Parties, national communications, biennial reports Parties, national inventories, reports on international consultation and analysis, international analysis and review, and other relevant reports from Parties and processes under the Convention and from constituted bodies  **Placeholder* for other sources of input (information that is reported, communicated or both) – generic, mitigation-specific, adaptation-specific, means of implementation and support (separated by finance, technology, capacity building)  **Other relevant reports from United Nations agencies and other international organizations Information from regional groups and institutions  **Information from regional groups and institutio
[Other inputs (information needs)]	Add to 1/CP21, para 99:  Parties' long-term low greenhouse gas emission development strategies as described in 1/CP.21 Paragraph 35, presented in an aggregated format  Information on regional impacts provided by agencies from the respective regions (will complement information on status of adaptation efforts)  Information on loss and damage  Information on social and economic impacts of response measures and on economic diversification and adaptation co-benefits  Information for all themes in the light of equity  Information related to equitable access to sustainable development, historical responsibilities, development gaps between north and south, sustainable development including SDGs, leadership by developed countries in achieving low emission and climate resilient development, poverty eradication, food security, job creation, and social justice in developing countries, climate refugees and displaced people
[Additional sources of inputs]  [Management of sources of inputs]	SBSTA will review the list at its session in May/June 2021 and agree to update the list prior to each GST CMA will update the non-exhaustive list prior to each GST, as appropriate, taking into account best available science, importance of leveraging national level reporting, and the value of authoritative third-Party analysis CMA will complement the non-exhaustive list prior to each GST, unless critical information that requires consideration emerges after the cut-off date
[Guidance for identifying additional sources of inputs]	The information from any source of input should be:  Appropriate to assess collective implementation and or progress  Directly relevant to the technical stream under discussion  Presented in a concise, easily digestible and accessible format  Open access
