

DEDICATED MEETING ON WAYS AND MEANS TO ADVANCE THE TECHNICAL EXAMINATION PROCESS IN 2015

TUESDAY, 10 FEBRUARY 2015

10:00 – 17:30

VENUE: BUILDING A, MEETING ROOM XII

Provisional programme

- 10:00 – 10:15** OPENING REMARKS BY THE CO-CHAIRS OF THE ADP
- 10:15 – 10:30** WELCOMING AND INTRODUCTORY REMARKS BY:
H.E. Jorge Voto-Bernales, COP20/CMP10 PRESIDENCY
H.E. Laurence Tubiana, COP21/CMP11 INCOMING-PRESIDENCY
Ms. Christiana Figueres, EXECUTIVE SECRETARY OF THE UNFCCC
- 10:30 – 10:40** OPENING BY THE MEETING FACILITATOR **Mr. Tosi Mpanu-Mpanu**, DEMOCRATIC REPUBLIC OF CONGO
- 10:40 – 10:50** OVERVIEW OF THE RESULTS ACHIEVED UNDER THE TECHNICAL EXAMINATION PROCESS IN 2014 - Presentation by the secretariat

PART 1: CONSULTATIONS ON IMPACT AND OUTCOMES OF THE TECHNICAL EXAMINATION PROCESS IN 2015

- 10:50 – 12:00** *Participants will discuss and share their views on the ways to implement the Lima Call for Climate Action with regard to the technical examination process in 2015 in light of the global political momentum and the need for enhanced climate action in the run up to Paris.*

Questions to facilitate the discussion:

- How the technical examination process could contribute to enhancing mitigation ambition and implementation of high-impact climate action in developed and developing countries?
- Building on the previous meetings, how the technical examination process could be strengthened and focused on actionable policy options in 2015?
- What should be done to ensure dissemination of information and engagement of non-State actors?

PART 2: CONSULTATIONS ON THE WAYS TO ENGAGE THE UNFCCC INSTITUTIONS AND RELEVANT LEADING INTERNATIONAL ORGANIZATIONS IN THE TECHNICAL EXAMINATION PROCESS IN 2015

- 12:00 – 13:00** **ROLE OF THE UNFCCC INSTITUTIONS**
The UNFCCC institutions will update participants on actions taken in relation to the technical examination process and inform about their planned activities in 2015 relevant to the technical examination process.

- Technology Executive Committee – **Mr. Gabriel Blanco**
- Climate Technology Centre and Network – **Mr. Jukka Uosukainen**
- Durban Forum on Capacity Building – **Mr. Amena Yauvoli**
- Executive Board of Clean Development Mechanism – **Mr. Hugh Sealy**
- Green Climate Fund – **Mr. Clifford Polycarp**
- Global Environment Facility – **Mr. Rawlestone Moore**

Discussion: *Participants will discuss and share their views on the ways for the UNFCCC institutions to contribute more effectively to the technical examination process, and identify opportunities to further enhance collaboration and synergies among these institutions and provide support for implementation work.*

Questions to facilitate the discussion:

- How to engage the UNFCCC institutions more effectively in the technical examination process?
- What are the opportunities and options to further enhance collaboration and synergies?
- How to enhance support to climate action through collaboration?

15:00 – 17:15 **ROLE OF LEADING INTERNATIONAL ORGANIZATIONS**

The international organizations that have participated in 2014 in the technical examination process will provide an update on actions taken in relation to the thematic areas with high mitigation potential. They will elaborate how they plan to support the accelerated implementation of policy options and enhanced mitigation action.

The discussion will be split by action area.

- Energy action area:
 - International Energy Agency – **Mr. Brian Dean**
 - United Nations Environment Programme – **Ms. Merlyn Van Voore**
 - Sustainable Energy for All – **Mr. Thibaud Voita**
 - United Nations Economic Commission for Europe – **Mr. Scott Foster**
 - International Renewable Energy Agency – **Ms. Angela Churie Kallhaug**
- Cities action area:
 - ICLEI Local Governments for Sustainability – **Mr. Yunus Arikan**
 - United Nations Human Settlements Programme – **Mr. Marcus Mayr**
 - World Business Council for Sustainable Development – **Ms. Helen Baker**
- Land use and agriculture action area:
 - Food and Agriculture Organization of United Nations – **Ms. Xiangjun Yao**
- Non-CO₂ gases action area:
 - Ozone Secretariat of the Montreal Protocol – **Ms. Megumi Seki**
 - United Nations Industrial Development Organization – **Mr. Stephan Sicars**
 - Climate and Clean Air Coalition to Reduce Short Lived Climate Pollutants – **Ms. Helena Molin Valdés**

Discussion: *Participants will discuss and share their views on the opportunities for effective engagement and cooperation with international organizations with the view to take the technical examination process forward and to enable Parties to enhance their mitigation efforts.*

Questions to facilitate the discussion:

- How to engage the leading international organizations more effectively in the technical examination process?
- What are the opportunities and options to enable Parties to accelerate their mitigation efforts?

17:15 – 17:30 **CLOSING**
