

ADP 2.4, 10 – 14 March 2014

In-session workshop on domestic preparations for intended nationally determined contributions

*Tuesday 11 March, 10:00 – 13:00
World Conference Center Bonn*

Provisional Agenda

Introduction

COP 19 invited all Parties to initiate or intensify domestic preparations for their intended nationally determined contributions and to communicate them well in advance of COP 21.

It also urged and requested developed country Parties, the operating entities of the financial mechanism and any other organizations in a position to do so to provide support for the related activities referred to above. Information on a briefing by relevant organizations and UN agencies on support for domestic preparations for intended nationally determined contributions can be found on the UNFCCC website at <http://unfccc.int/7980.php>.

Objectives

- To share information amongst Parties on their experience on the preparations of nationally determined contributions;
- To share views on the challenges and requirements to respond to the invitation by the COP.
