Version of 2 June 2015 at 20:30

Output of facilitated meeting

Consolidation of paragraph 130 Options 2 and 3:

130. **[Option 2]:** Parties, consistent with the principles and provisions of the Convention, including Article 4, paragraphs [1, 3 and] 5, [and Article 11], [in accordance with their common but differentiated responsibilities,] [reflecting the evolving economic realities] to strengthen cooperative action to promote and enhance technology development and transfer [and better facilitate the implementation of the Convention], including through the Technology Mechanism / institutional arrangements for technology established under the Convention and through the Financial Mechanism [and the climate resilience and sustainable development mechanism] [/ by enhancing the provision of support by [developed country Parties][Parties included in annex Y][all countries in a position to do so][, in order to support the implementation of mitigation and adaptation [commitments][actions] under this agreement].]

Observation:

- One Party noted that there is a need to further clarify the intention of the use of “/” in the negotiation text.

Consolidation of paragraph 132.6 Option (a) (chapeau) and Option (b) (chapeau):

132.6 **[Option (a) (chapeau):** [All Parties] [Global participative collaboration] enabled by [Annex II Parties][Parties included in annex Y] / led by [developed country Parties][Parties included in annex Y][all countries in a position to do so] to accelerate [global collaboration on] the research, development [and][,] demonstration [and the scaling-up of the implementation] of technologies:]

Consolidation of paragraphs 133 and all options of 133.1:

[133.1 Anchoring:

The [Technology Mechanism] [and] [[any] institutional arrangements for technology] established under the Convention [, including the TEC and the Climate Technology Centre and Network (CTCN)] [including the climate resilience and sustainable development mechanism,] shall serve this agreement by facilitating enhanced action on technology development [and] [,] transfer [and know-how] in order to achieve the objectives of this agreement.]

Observation:

- Parties agreed to keep the chapeau of paragraph 133 as is in the Geneva Negotiating Text noting that it serves to introduce the sub-paragraphs under paragraph 133.

Consolidation of paragraph 132.4 Option (a) (chapeau) and Option (c) (chapeau):

132.4 **[Option (a) (chapeau):** All Parties, in accordance with the principles of and obligations under the Convention, to establish means to facilitate access to and the deployment of [safe, appropriate and environmentally, economically and socially sound] technology, while promoting [and rewarding innovation in adaptation and mitigation technologies / environmentally sound technologies [on the basis of the strengthening of sustainable development trajectories and poverty eradication]] [the following]:]

Observation:

- Some Parties expressed willingness to move beyond mechanical streamlining to accelerate the consolidation of the text and not to wait until the second reading of the text.
