

Regarding the idea that “developing country Parties need support to participate effectively in the transparency framework”, China, on behalf of LMDC, would like to make the following textual proposal:

(1) in Part I, para 28 of the Principle:

m. Building developing country Parties’ MRV capacity through a continuous ~~and~~ systematic ~~funding~~ ~~[basis]~~ ~~[base]~~ [and adequate support]; {para 142 opt 1 m. SCT}

(2) in Part I, to insert a para between para 30 and 31 regarding the obligation or commitment, which reflects the principle above:

[Article 30.5 Support for Dg’s MRV capacity building Developed country Parties shall provide adequate support to developing country Parties in complying with their obligations for transparency under the Paris Agreement so as to ensure effective participation of developing country Parties in the transparency system under the Convention.]

(3) in Part I para 33:

33. DEVELOPING COUNTRIES’ MRV ARRANGEMENTS AND SUPPORT [The extent to which developing country Parties will effectively] ~~[Developing country Parties should implement the MRV arrangements set out in this agreement will depend on the effective implementation by developed country Parties [in accordance with Article 30.5 of this Agreement] and [of developed country Parties’ commitments under the Convention, inter alia the Article 4.3, related to financial resources]. in accordance with Article 12 of the Convention and under any further decisions of the COP, taking into account the prompt provision of financial resources so as to cover the agreed full costs incurred by developed country Parties.]~~ {para 145 SCT}

(4) in Part II, after para 87, to introduce para 87.5, which is the text in the GNT and chairs’ tool, to set out the mandate or work program for the above:

[Para. 87.5 A long-term finance channel shall be established under the GCF or the Global Environment Facility to build the MRV capacity of developing country Parties on a continuous basis; {moved from para. 82 (b) of PART II }.]
