

Bridging proposal by Australia, Canada, European Union, Japan, New Zealand, Norway, Switzerland and United States for Art. 9 para. 5, replacing options II, V and VI

5. The information required under this Article shall be subject to a technical expert review in accordance with common guidelines and procedures adopted by the CMA. The review will consider the consistency with guidelines adopted by the CMA, the Party's implementation and achievement of its nationally determined mitigation [commitment / contribution], and identify any areas for improvement in reporting. For Parties with least capacity, the expert review may also identify capacity building needs. The technical expert review shall be carried out by an expert review team. The expert review team shall produce a report for publication by Secretariat and consideration by the CMA;

5. bis

Each Party shall undergo a multilateral and facilitative examination of the implementation of its [nationally determined mitigation] [contribution / commitment / other].
