

Submission by Angola on behalf of the Least Developed Countries Group – ‘surgical insertions’ to co-chairs’ non-paper (v. 5 October 2015) : PREAMBLE

PREAMBLE:

PP5. *Emphasizing* the need for universal and sustained action by all to respond to the urgent threat of climate change based on the best available scientific information including, *inter alia*, the assessment reports of the Intergovernmental Panel on Climate Change, and inputs and resources from Parties

PP7 *Recognizing* that deep cuts in global emissions will be required to achieve the ultimate objective of the Convention and emphasizing the need for urgency to address climate change,

PP8 *Recognizing* that climate change represents an urgent and potentially irreversible threat to human societies and the planet and thus requires the widest possible cooperation by all countries and their participation in an effective and appropriate international response, with a view to accelerating the reduction of global greenhouse gas emissions,
