

Section F, Paragraphs 82¹

Version of 03 June 2015 at 21:00

Output of facilitated meeting

Consolidation of paragraph 82:

No agreed consolidation. However, Parties agreed that consolidation is possible and should be pursued, possibly at a later stage.

Observations:

- Parties have put forward proposals for consolidation and streamlining; however, Parties indicated that further clarification and a common understanding of the exercise to be undertaken would be necessary in order to progress with consolidating this paragraph.
 - There was a general sense that this paragraph, due to its complexity and density, will require further work, with Parties indicating that they will continue to work on this paragraph.
