

## Lima Climate Change Conference - December 2014

The ADP Co-Chairs, noting that numerous briefings, fora and information events are being planned during the conference in Lima, in many areas that are relevant to the work of the ADP, would like to encourage delegates to attend those events, to the extent possible. For this purpose, they have requested the secretariat to prepare a list of in-session workshops and events relevant to the work of the ADP to assist participants with their planning prior to the sessions.

As indicated in the Co-Chairs' scenario note, the secretariat has been requested to cluster and enhance the visibility of side events and exhibits in Lima directly relevant to the thematic areas explored by the technical expert meetings in 2014. The relevant exhibits can be visited throughout the two weeks of the session in the exhibits area. The relevant side-events have been clustered on Friday 5<sup>th</sup> December, Monday 8<sup>th</sup> December and Tuesday 9<sup>th</sup> December and further details can be found on the ADP website at: <http://unfccc.int/8682.php>. In addition, a [NAMA Day](#) will take place on Saturday 6<sup>th</sup> December and will provide a platform to learn from developing countries that are advancing pre-2020 mitigation action through the design and implementation of NAMAs.
