

## Warsaw Climate Change Conference - November 2013

---

The ADP Co-Chairs, noting that numerous briefings, fora and information events are being planned during the conference in Warsaw, in many areas that are relevant to the work of the ADP, would like to encourage delegates to attend those events, to the extent possible. For this purpose, they have requested the secretariat to prepare a list of in-session workshops and events relevant to the work of the ADP to assist participants with their planning prior to the sessions.
