A. DRAFT AGREEMENT

Article 7 (TECHNOLOGY DEVELOPMENT AND TRANSFER)

{To replace Article 7.5 in compilation}

5. The Technology Mechanism and other institutional arrangements on technology development and transfer established under the Convention shall serve this Agreement by facilitating enhanced cooperative action on technology development and transfer [and shall be strengthened in line with their mandates for this purpose].

B. DRAFT DECISION

To replace paragraph 86, 89 and 90 in compilation

1. *Decides* to strengthen the Technology Mechanism and requests the Technology Executive Committee (TEC) and the Climate Technology Centre and Network (CTCN) to support the implementation of the Agreement [, including by strengthening their work relating to, inter alia, technology research, development, and demonstration of technology];
2. *Decides* that the TEC and the CTCN shall report to the CMA through the subsidiary bodies on their activities to support the implementation of the Agreement;
3. *Decides* to undertake a periodic assessment of the effectiveness and adequacy of the support by the Technology Mechanism of the implementation of the Agreement on matters relating to technology development and transfer;
4. *Requests* the SBI to elaborate the scope and modalities of the periodic assessment referred to in paragraph xx above for consideration and adoption by the COP at its xx session;
