Paragraphs 106 to 133: Mitigation, Non-Party stakeholder engagement, High-level dialogue/events

Text:

[B. Mitigation]

106. *Resolves* to ensure the highest possible mitigation efforts in the pre-2020 period, including by:
- (a) Urging all Parties that have not already done so to ratify and implement the Doha Amendment to the Kyoto Protocol[, if they wish to do so];
 - (b) Urging all Parties that have not already done so to make and implement a mitigation pledge under the Cancun Agreements;
 - (c) [Inviting all developed country Parties to increase the ambition of their mitigation pledges under the Cancun Agreements so that they are in line with the levels required by science, including by removing conditionalities, in accordance with decision 1/CP.19, paragraph 4(d);]
 - (d) Inviting developing country Parties that have not submitted their first biennial update reports to do so as soon as possible;
 - (e) Urging all Parties to participate fully and in a timely manner in agreed measurement, reporting and verification processes in order to demonstrate progress in their implementation of mitigation measures and, for those with a pledge under the Cancun Agreements, progress in implementing this pledge in full;
107. *Encourages* Parties to promote the voluntary cancellation, by Parties and non-Party stakeholders alike, of emission units issued under the Kyoto Protocol (i.e. certified emission reductions, [emission reductions units], [assigned amount units and removal units]) that meet the standard of delivering real, permanent, additional and verified mitigation outcomes;
108. *Urges* all Parties to transparently report on [internationally transferred mitigation outcomes] used to meet international pledges in order to promote environmental integrity and avoid the double counting of mitigation outcomes;
109. *Recognizes* the social and economic value of voluntary mitigation actions and their co-benefits for adaptation, health and sustainable development;
110. *Resolves* to strengthen, in the period 2016–2020, the existing technical examination process on mitigation as defined in decision 1/CP.19, paragraph 5(a), taking into account the latest scientific knowledge, including by:
- (a) Requesting the appointment of co-facilitators to guide this process;
 - (b) Encouraging Parties, Convention bodies, international organizations and non-Party stakeholders to engage actively and effectively in this process, to share their experiences and suggestions, including from regional events, and to cooperate in facilitating the implementation of policies, practices and actions identified during this process in accordance with national sustainable development priorities;
 - (c) Striving to improve access to, and participation in, this process by [developing country Party experts][non-Party experts;]
 - (d) Requesting the Technology Executive Committee and the Climate Technology Centre and Network to:
 - (i) Engage in the technical expert meetings and enhance their efforts to facilitate and support Parties in scaling up the implementation of policies, practices and actions identified during this process;
 - (ii) [Provide regular updates during the technical expert meetings on the progress made in facilitating the implementation of policies, practices and actions previously identified during this process;]
 - (iii) Include information on their activities under this paragraph in their joint annual report to the Conference of the Parties;
 - (e) Encouraging Parties to make effective use of the Climate Technology Centre and Network to obtain support in the development of economically, environmentally and socially viable project proposals in the high mitigation potential areas identified in this process;

111. *Requests* the secretariat, in consultation with the co-facilitators referred to in paragraph 110(a) above, to organize the process referred to in paragraph 110 above and disseminate its results, including by:
 - (a) Organizing [in cooperation with the Technology Executive Committee] regular technical expert meetings focusing on specific policies, practices and actions representing best practice and with the potential to be scalable and replicable, in cooperation and coordination with representatives of relevant Convention bodies, in particular the GCF, the Global Environment Facility, the Technology Executive Committee and the Climate Technology Centre and Network;
 - (b) Updating on an annual basis, following the meetings referred to in paragraph 111(a) above and in time to serve as input to the [summary for policymakers] [reports on the meetings] referred to in paragraph 111(c) below, a technical paper on the mitigation benefits and co-benefits of policies, practices and actions to enhance mitigation ambition, information on which should be made available in a user-friendly online format;
 - (c) Preparing, under the guidance of the champions referred to in paragraph 130 below, [a summary for policymakers] [reports on the meetings referred to in paragraph 111(a) above], including the identification of specific policies, practices and actions representing best practice and with the potential to be scalable and replicable, and publishing it at least two months in advance of each session of the Conference of the Parties as input for the high-level events referred to in paragraph 129 below;
 - (d) [Ensuring, in the preparation of the technical paper referred to in paragraph 111(b) above and summary for policymakers referred to in paragraph 111(c) above, the inclusion of information related to the means of implementation, in particular finance, technology and capacity-building support required by developing country Parties;]
112. *Decides* that the process referred to in paragraph 110 above should be continued under the [Conference of the Parties][Subsidiary Body for Implementation] and take place on an ongoing basis until 2020;
113. [*Also decides* to conduct, in [2017][2018], an assessment of the process referred to in paragraph 110 above with the aim of improving its effectiveness;]

[E. Non-Party stakeholder engagement]

122. *Acknowledges* with appreciation the results of the Lima–Paris Action Agenda, which build on the climate summit convened on 23 September 2014 by the United Nations Secretary-General;
123. *Welcomes* the efforts of non-Party stakeholders, including civil society, the private sector, financial institutions, cities and other subnational authorities, local communities and indigenous peoples, to scale up their climate actions and provide further mitigation and/or adaptation opportunities for Parties, including climate actions registered in the Non-State Actor Zone for Climate Action (NAZCA) platform;
124. [*Invites* non-Party stakeholders to demonstrate their climate actions through mechanisms such as the NAZCA platform;]
125. *Encourages* Parties to work closely with non-Party stakeholders, including those mentioned in paragraph 123 above, to catalyze efforts to strengthen mitigation action;
126. [*Also encourages* non-Party stakeholders to increase their engagement in the [process referred to in paragraph 110 above][processes referred to in paragraphs 110 above and [134 (options 1 and 1alt)] below];]
127. [*Welcomes* with appreciation the Declaration of the World People’s Conference on Climate Change and the Defense of Life held in Tiquipaya, Bolivia, from 10 to 12 October 2015;]
128. [*Establishes* a platform for supporting and strengthening the knowledge, practices and technologies of indigenous peoples and local communities, including those for adaptation to and mitigation of climate change in a holistic and integrated manner;]

[F. High-level dialogue/events]

129. *Agrees* to convene, in conjunction with each session of the Conference of the Parties from 2016 to 2020, a high-level event that:
 - (a) Further strengthens high-level engagement on the implementation of policy options and actions arising from the [process referred to in paragraph 110 above][processes referred to in paragraphs 110 above and

- [134 (options 1 and 1alt)] below], building on the relevant reports and summaries for policymakers referred to in paragraph 111(c) above and 134quater (c) (option 1) below;
- (b) Provides an opportunity for announcing new or strengthened efforts, voluntary initiatives and coalitions, including policies, practices and actions arising from the [process referred to in paragraph 110 above][processes referred to in paragraphs 110 above and [134 (options 1 and 1alt)] below] and presented in the summaries for policymakers referred to in paragraph 111(c) above and 134quater (c) (option 1) below;
 - (c) Takes stock of related progress and new or strengthened efforts, voluntary initiatives and coalitions;
 - (d) Exchanges experiences with and best practices on climate action by non-Party stakeholders[, including indigenous peoples' knowledge and technologies on mitigation and adaptation];
 - (e) Provides meaningful and regular opportunities for the effective engagement of experts from Parties, international organizations, international cooperative initiatives and non-Party stakeholders;
130. [*Decides* that two high-level champions shall be appointed to facilitate, through strengthened high-level engagement in the 2016–2020 period, the scaling-up and launching of new or strengthened efforts, voluntary initiatives and coalitions, including by:
- (a) Working with the Executive Secretary and the current and incoming presidents of the Conference of the Parties to coordinate the annual high-level event referred to in paragraph 129 above;
 - (b) Engaging intensively with interested Parties and non-Party stakeholders;
 - (c) [Providing guidance to][Coordinating with] the secretariat on the organization of technical expert meetings referred to in [paragraph 111(a) above][paragraph 111(a) above and paragraph 134 quater (a) (option 1) below];
131. [*Also decides* that the high-level champions referred to in paragraph 130 above shall serve for a term of two years, with their terms overlapping for a full year to ensure continuity, such that:
- (a) The President of the [twentieth][twenty-first] session of the Conference of the Parties shall appoint one champion, who shall serve from the date of the appointment until the [first][last] day of the twenty-second session of the Conference of the Parties (November 2016);
 - (b) The President of the [twenty-first][twenty-second] session of the Conference of the Parties shall appoint one champion, who shall serve from the date of the appointment until the [first][last] day of the twenty-third session of the Conference of the Parties (November 2017);
 - (c) Thereafter, each subsequent President shall appoint one champion who shall serve for two years and succeed the previously appointed champion whose two-year term has ended;]
132. *Invites* all interested Parties and relevant organizations to provide support for the work of the champions referred to in paragraph 130 above;
133. *Requests* the secretariat, in consultation with the current and incoming presidents of the Conference of the Parties, to make arrangements facilitating the provision of support referred to in paragraph 132 above;
