

TASK SHEET ON MITIGATION

1. Article and topic:

Art 3.1– Long term goal

Text:

1. **Option 1:** Parties aim [to achieve the global temperature goal], in accordance with the best available science [and the principles of the Convention], through [long-term global [low-[carbon]][emission] transformation] [[climate][carbon] neutrality]], [and the peaking of their [net] emissions] [by 2030][by 20XX][as soon as possible], [with a [x]40–[y]70 per cent net emission reduction below the 2010 level by 2050][according to the global carbon budget distribution based on climate justice], and [overall reductions][[net] zero emissions] [over the course of the present century][by 2050][by 2100].¹

Option 2: [Parties aim to reach a long-term global low-emission transformation in the context of sustainable development and equitable access to atmospheric space [*placeholder for further elaboration of the context, including CBDR, comprehensiveness, distribution of global carbon budget based on climate justice and etc.*].]

Option 3: [In pursuit of the objective of the Convention as set out in its Article 2,][and][to achieve the long-term temperature goal set out in Article 2,] Parties aim to reach [by X date] [as soon as possible] [a peaking of global greenhouse gas emissions] [and rapid reductions of global greenhouse gas emissions thereafter to at least] [40–70] [70–95] per cent below the 2010 level by 2050] [and zero net greenhouse gas emissions in the period 2060–2080] [[bearing in mind that peaking will vary for different countries and will be longer for developing countries] [[and] bearing in mind that social and economic development and poverty eradication are the first and overriding priorities of developing country Parties]][[in pursuing [the decarbonization of the global economy over the course of this century] [global low-carbon transformation] [global low-emission transformation]] [in the sharing of the remaining global emission budget]].

2. Task

Find solutions and clean text

3. Working mode

Informal work by Parties

¹ There is a need to specify the context, whose placement is yet to be decided.
