

Work of the Spin-off group on Article 3 on [Mitigation] and related decision paragraphs

3 December 2015 at 10:00

OPTION I¹

A. DRAFT AGREEMENT

Article 3 *(MITIGATION)*

{To replace Article 3.16 in compilation}

16. Parties acknowledge the importance of [cooperation in][cooperative approaches for] implementing and enhancing the ambition of climate action [at the international level].

16alt. Parties may also cooperate in the implementation of [NMDC*]/[INDC][NDC]

[16bis. Where cooperative approaches involve the use of internationally transferred mitigation outcomes towards [NMDC*]/[INDC][NDC], Parties participating shall [safeguard] [promote] sustainable development and environmental integrity and shall apply robust accounting to ensure, inter alia, that double counting is avoided, taking into account relevant guidance adopted for this purpose by the CMA [taking into account guidance adopted at the national level].]

[16ter. A share of proceeds for adaptation shall apply.]

B. DRAFT DECISION

X. Requests the [IPC] to develop and recommend the guidance referred to under Article [3.16] for adoption by the CMA at its first session.

OPTION II

A. DRAFT AGREEMENT

Article 3 *(MITIGATION)*

{To replace Article 3.16 in compilation}

Cooperative approaches of Parties, based on Article 4.7 of the Convention, must ensure the enhancement of mitigation outcomes together with adaptation co-benefits to be verified internationally but non-transferrable.

B. DRAFT DECISION

Requests the CMA to develop and recommend guidance at its first session.

OPTION III

A. DRAFT AGREEMENT

Article 3 *(MITIGATION)*
