Part I: General context: Support to the Paris Agreement and the implementation of NDCs

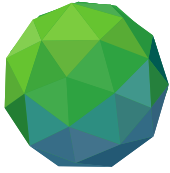

- Decision 1./CP.21: “GCF shall serve the Paris Agreement”
- GCF’s Strategic Plan emphasizes support to the Paris Agreement; workplan for implementation adopted at B.16
- GCF will provide support in terms of finance, **capacity-building** and technology transfer
- Board has agreed that developing countries’ INDCs to the Paris Agreement are an important reference point for the Fund’s programming, as are NAPAs, NAPs, Technology Needs Assessments and NAMAs
- Country programmes submitted to the Fund inform the Fund’s programming approaches

Part II: Examples of GCF support

The GCF can support a country's NDC formulation and implementation through its:

- Readiness and Preparatory Support Programme**
- NAP support**
- Project Preparation Facility**

GCF encourages countries to work with accredited entities to consider how to turn their NDCs into concrete concept notes and funding proposals.
