+ Sub national strategy has six guidelines:

+ Strengthening institutional structures and capacities

# + Strengthening regional legal framework

# + Technological upgrading of agricultural, livestock and forestry system.

+Develop incentives for protection, conservation and reduce land use change

# + Value added

# + Indigenous land titling and governance

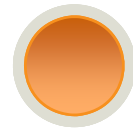

# + Decision making process

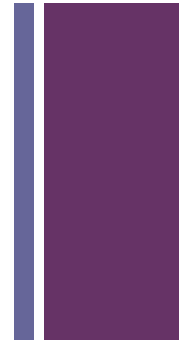

**Nivel 1**  
**Ministers**

**Nivel 2**  
**Technical  
teams**

**Nivel 3**  
**Sociedad  
civil**

# Opportunities –

- Political commitment
- Autonomic status recognized (Sub-national Level))
- 17 indigenous territories (31% of national area)
- Opportunity to integrate rights of indigenous peoples on their territories and resources
- interagency partnerships - Allies

+ Thanks for your time.
