Article 6 of the Climate Change Convention

New Delhi work programme

(Decision 11/CP.8) 2002 - 2007

- Five-year work programme on Article 6
- Country-driven approach
- Phased approach by integrating Article 6 activities into existing climate change programmes/strategies
- Promote partnerships
- Encourage programmatic response by NGOs and IGOS
- List activities that Parties may wish to implement

amended New Delhi work programme (Decision 9/CP.13) 2007 - 2012

Differs from NDWP in

1. Scope of the work programme

- Public awareness, public participation and public access to information split into 3 individual scopes.

2. Implementation

- Preparation of **national Article 6 plan of action**
- New subchapter on Regional and international efforts

amended New Delhi work programme (Decision 9/CP.13) 2007 - 2012

WHY WE ARE HERE TODAY?

- an intermediate review of progress in the implementation of the aNDWP in 2010 to evaluate its effectiveness and identify emerging gaps and needs
- organization of thematic regional and subregional workshops to share lessons learned and best practices:
 - Europe (Stockholm, Sweden, May 2009)
 - Asia and the Pacific (Bali, Indonesia, October 2009)
 - Latin America and the Caribbean (Bavaro, Dominican Republic, April 2010)
 - Africa (Banjul, The Gambia, September 2010)

The amended New Delhi Work Programme
